Dated: February 22, 2007

Form 471 Application Number: 502909

Billed Entity Name: Fairland Indep School Dist 31

Billed Entity Number: 140135

SUMMARY

Hello, my name is Mary Caudill. I am writing to you on behalf of Fairland Public Schools. I am appealing a decision made by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) regarding our cellular service. I have previously appealed to USAC and received a denial of that appeal. USAC is denying our appeal on the grounds that the service provider we chose was deemed an ineligible telecommunications provider. We have used this provider in the past and it has not been a problem. They had changed their spin number once that I know of and we had updated that information on our USAC application. After filing the appeal and being denied again, I contacted the cellular company and they thought there must be some kind of mix up. There is yet another SPIN number being 143027984 which is associated with American Cellular Corp. The company I listed on our USAC form was CellularOne also known as Dobson Cellular Corp as well as American Cellular Corp and previously listed as CellularOne of Texas. I used a SPIN number from last year's erate application that was incorrect which you can see with as many names as they use could easily happen. I had updated the SPIN number last year and it has apparently changed again. Please review this information and grant our appeal.

Sincerely,

Mary Caudill
